The uniform deposit is based on the average and should not be taken as final. In some cases the cost may be lower. The medical fee includes only care given in the infirmary and does not include prescription drugs or specialists' examinations, which will be charged at cost. Please note that the Uniform Deposit, Stationery and Books Deposit, and Infirmary Fee, are required on entrance. This is also true of the athletic fee and activities fee. All checks should be made payable to the Augusta Military Academy, with the exception of the athletic fee and the activities fee, and all checks should be mailed to the Academy. Under no circumstances should a check be sent to a cadet for delivery to the financial office.

A final statement is sent to each parent on or about 15 June. Any unused portion of the uniform or book fee is refundable.

A reduction of \$50 for the sons of ministers and a similar reduction for brothers is made by the school.

Please Note

Monthly payments may be arranged if desired. This must be done by arrangement with the finance office. If, under any of the above mentioned methods of payment, the account is behind 60 days, the parent will be requested to withdraw the cadet.

When cadets withdraw or leave the school, on account of sickness or under unusual circumstances, a refund only of the unused portion of the Uniform Deposit and Stationery Deposit will be made. Should it become necessary to dismiss a cadet, however, or when a cadet leaves school either with or without the parents' permission, no part of the tuition or fees will be refunded.

Under no circumstances will the diploma and credit for work done at Augusta be given to any cadet until his account with the Academy is settled in full. A \$5.00 diploma fee is required of graduating seniors.

Cadets must be supplied with the articles listed below. They may be brought with him to school. In most cases, however, many items should be bought at the nearby Fort, which is the Academy's supply store. This is especially desirable in the case of regulation high shoes, appropriate sheets, spreads and blankets and toilet articles. Each article should be distinctly marked with the owner's name, in so far as possible. Please note that low shoes are absolutely prohibited. Only regulation six-inch high shoes are allowed. Cadets may bring only athletic shoes, basketball shoes, bedroom slippers and regulation shoes.

Please note that each cadet must have a fluorescent desk lamp.
